

FIRST ANNUAL
ICJR SAN DIEGO
IN COLLABORATION WITH *ORTHOPEDICS TODAY*
APRIL 27-29, 2012 • SAN DIEGO, CALIFORNIA

HOTEL DEL CORONADO

The International Congress for Joint Reconstruction has partnered with *Orthopedics Today* to bring you this unprecedented course featuring:

- Live surgeries demonstrating state-of-the art technologies and procedures
- Didactic presentations, panel discussions and interactive workshops on the most pressing issues facing the orthopaedic surgeon today in the areas of hip fractures, sports medicine (knee and shoulder), hip and knee replacement and practice management and efficiencies
- A faculty panel consisting of leaders in the orthopaedic arena both domestically and abroad
- Scientific Posters
- Difficult Cases Challenge, offering the audience an opportunity to submit cases for review and discussion by a panel of experts
- An intimate learning environment where you'll have opportunities to interact with our internationally renowned faculty

Now Accepting Online Abstract Submissions for Poster Presentation!

Deadline is January 27, 2012. Go to ICJR.net/2012sandiego and click on the *Abstract Submission* button.
