

# ICJR

## International Congress for Joint Reconstruction

April 24, 2012

Dear **Dr. Tsukamoto**,

On behalf of ICJR, congratulations on your poster being selected as one of the Abstract Recognition Awards for ICJR San Diego.

**As part of this award we are requesting you present your poster for ICJR Surgical Conference Coverage.**

ICJR Surgical Conference Coverage captures important topics from surgical conferences around the world, and delivers the critical clinical data to the worldwide audience of orthopaedic surgeons. This is a great way to further support your efforts and share with the orthopaedic community.

You will be video recorded, in our onsite studio, presenting your abstract/poster. Your poster will need to be put into a multi-slide format, so that it can be put into a teleprompter and used as a "script". The presentation should be a maximum of 8 minutes.

Please complete the attached form and return by e-mail or fax. Upon receipt, we will contact you to confirm a time for your presentation(s), which works within your existing meeting plans.

If you have any questions, please contact Michael Szuch directly at 760.942.7859 x105 or via E-mail: [mrszuch@icjr.net](mailto:mrszuch@icjr.net).

Kind regards,

W. Norm Scott, M.D.
